Abilene, TX 79601

DO YOU NEED A WILL OR TRUST????

It is a simple fact that more than two thirds of all Americans die without a Will or Trust, leaving a legacy of confusion and court entanglements. In a simple estate planning document you can assure that only those closest to you will benefit and assure those charities closest to you are not excluded.

When drafting a Will or Trust, consider leaving specific gifts of cash or property, or certain percentages of your estate to benefit our great Museum.
